This year we have change our registration fee as we feel the dedication for players or commitment needs to be committed by the players therefore a \$20.00 player fee is required for every player to register/play (we will call it a Player Slush fund funded by the players). We still promote sponsorship from Businesses/Organizations for your team as well which does not fund your portion of the fee this fee is at \$220.00.

Payments can be remitted to T-shirt Barrel 386-2728 or the Chamber of Commerce website where you can register your team www.warroad.org or call 218-689-6983
